11.1.2024

To,  
The President,  
Bar Association,

Sir,

The Karnataka State Bar Council COP Committee has decided to extend the last date for submission of COP applications till **12.1.2024** for the Advocates who have not submitted the COP applications till 10.1.2024. Since many of the advocates requested to extend the time as there was a technical issue (Congestion of Server) while uploading the COP applications through **Online mode**.

The Committee feels that there might be congestion of the Server, because of last minute rush by the advocates to upload the COP application.

The Advocates who have enrolled themselves between 1.1.2020 to 30.11.2023 and have passed all India Bar Examination are also requested to submit COP application through online mode with all the requisite documents as per the COP Guidelines published in the official Website of the Karnataka State Bar Council.

Hence the Advocates may take note of the same and submit the COP application immediately to avoid being listed in NON PRACTICING ADVOCATES list.

Yours faithfully,

( H.L. VISHALA RAGHU )  
Chairman
